NOVEMBER SOCIAL STUDIES PROJECT

CUSTOMS AND TRADITIONS

All families have special ways to do certain things and celebrate big events (customs and traditions), and this month we will focus on sharing the ways each of our families is unique and special.

Please review the questions below with your child and, though you may need to do the recording, allow your child to take the lead on arriving at the answers. We will share our responses for Show and Tell this week, so please return this page as soon as it is complete.

1. What is something special your family does every week (or month, or summer, or year)? _____

2. How does your family celebrate Thanksgiving? _____

3. What did you do on your last birthday? _____

4. How did your family make the first day of school special for you? _____
